The rules of *Fight Crab* are simple: ~~do not talk about Fight~~ You are a giant crab – embark on a world tour of crustacean conquest, flipping over and pinning anything that crab walks in your way. Master classic fighting game moves like blocks, grabs and hyper mode-activated skills, and unlock powerful new crabs and abilities with each victory. Arm yourself with an arsenal of wild weaponry, including the whip sword, nunchaku, axe gun, chainsaw, beam saber, jet engines and more – everything needed to crush the living shell out of your foes!

### **Key Features:**

- Claw through a Campaign Mode with 34 stages spread out across 7 chapters, plus 7 tutorial stages.
- 23 types of playable crab, 48 different weapons and 11 unique battle stages.
- A variety of matchmaking options including 1v1, 2v2, and offline and online co-op and versus battle modes.
- Unlock special skills like the fabled Kanihameha, devastating Crab Copter and more.
- Level up your crab, recruit new crabs, and purchase deadly new weapons to build the ultimate crab warrior.
- Nintendo Switch Joy-Con™ motion controls let you freely manipulate limbs to punch, grab and flip your way to victory.
- Use Photo Mode to capture, share and immortalize epic confrontations and intense battles.
