About Heavy Fire: Red Shadow

Set in the not-so-distant future, tension between a bold North Korea and the United States have gone beyond their breaking point.

As Sgt. Will, step onto the unforgiving battlefield, establish a beachhead, and holdfast behind a turret-mounted machine gun. A brutal and unceasing onslaught of enemy forces will attempt to flank and eliminate Sgt. Will from every angle as he and a few surviving comrades rain hell upon anything that crosses their iron-sights.

Key Features

- ★ **360° White-knuckle Action!** Use a devastatingly powerful turret-mounted machine gun and rocket launcher combo to mow down enemies in 360° across eight stages
